CHOOSE COLOR

54 Styles | 3 Fibers Unlimited color combinations

The only online trim designer from the leader in trim.

The Semi Custom program from Samuel & Sons is an innovation that enables designers to create infinite color combinations, in different fibers within a curated collection of patterns.

The Samuel & Sons Semi Custom program allows clients to design and render online, allowing them to see their creations in real-time before ordering.

Fiber Options

Linen (Natural)

Fibranne (Matte)

Rayon (Lustrous)

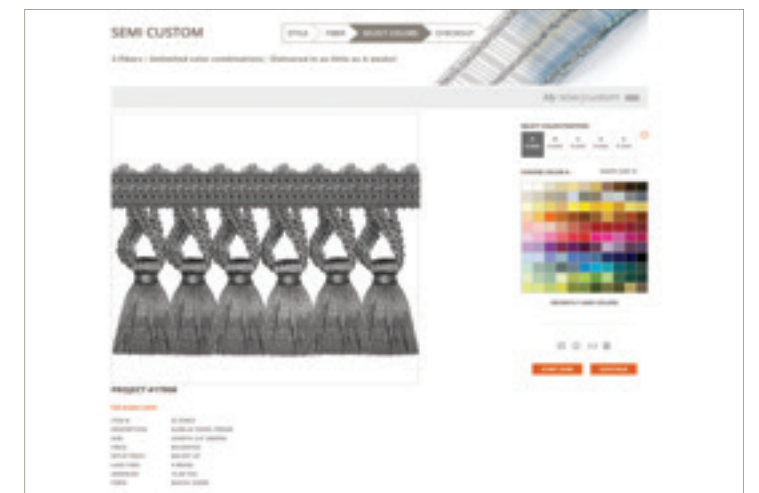

The Process

1. Visit samuelandsons.com/semicustom
2. Select a pattern
3. Select a fiber
4. Select a yarn color per position
5. Receive a Sample Kit with yarn color reelings, neutral memo sample in yarn fiber and full color rendering
6. Pricing and delivery information listed online
7. Approve and order online

The Samuel & Sons Semi Custom Program offers designers the opportunity to bring their own vision of design and color to reality.
